NOTES:

Method to Determine Lowest Bid.

- 1. The lowest bid shall be the lowest bid price on the base contract, depending upon available funds, without consideration of the prices on the additive or deductive items.**
- 2. Miscellaneous items, directed work, connections, etc., not specifically listed but required to complete the proposed sludge and grit removal for a complete and operational system shall be included in the Bid under the most appropriate Bid Item.**
- 3. Submission of the completed Bid Proposal is considered evidence to the Owner that the Contractor fully and clearly understands the complete scope of work and all actions and materials required to complete the work.**
- 4. Time required to complete the base bid work shall be 180 calendar days.**
