BID PROPOSAL SUMMARY SHEET

Bid Schedule A – E 24th Street

Bid Option 1 - TOTAL \$ _____

Bid Option 2 - TOTAL \$ _____

Bid Schedule B – Oats Street

TOTAL \$ _____

Bid Schedule C – E 48th Street

TOTAL \$ _____

TOTAL Bid Amount of Sch A (Option 1) + Sch B + Sch C _____

TOTAL Bid Amount of Sch A (Option 2) + Sch B + Sch C _____

Notes:

Other incidental items required to complete the work shown on the plans and specifications shall be considered subsidiary to the bid items. Traffic Control shall be performed to maintain a passable lane during construction unless other detours are approved by the City. Sawcutting and clean transition from existing to new shall be performed. The contractor shall notify TWU to obtain meter for _____ street and pay all expenses and fees for water. Spoil materials shall be removed and hauled off by the contractor.

Upon stabilization and completion of the work, the contractor shall promptly plan to install prime coat and asphalt pavement. Damages to roadbed due to construction shall be repaired at the contractor's expense.

The award of the bid will be determined based upon the best value of Schedule A, and the low bid amounts of Schedule B & C in consideration of the available budget.
