NOTES:

- 1) Miscellaneous items, directed work, construction items not listed but required to complete the proposed improvements to a complete and operational system shall be included in the most appropriate Bid Item.
- 2) Time required to complete base bid items is _____ days.
- 3) Contractor is solely responsible for compliance with all local, state and federal laws for lead abatement and disposal, as necessary.
- 4.) Due to global raw material shortages, it is in the best interest of the owner, engineer, and the job to purchase all coatings needed in one order. The project must continue and not slow due to unforeseen shortages.
